

Parent Governor Vacancy

Having just filled two of our Parent Governor vacancies recently; we do now have a **further Parent Governor vacancy on our school Governing Body**. This vacancy provides an opportunity for a Parent/Carer to become fully engaged and involved in the Governance of Temple Meadow. Being a member of our Governing Body provides an opportunity for involvement in essential areas of school life including supporting our strategic direction. As well as being part of the Governing Body you can also be involved in the other governor committees that include:

- Curriculum and Standards
- Staffing and Finance
- Health and Safety.

Governors are key to developing the school. Don't be daunted by applying, as the Governing Body ideally should be fully representative of our school community. If you are thinking about it but are a little bit hesitant then talk to the School Office to make an appointment with myself or our Chair of Governors; we will be happy to tell you more about the role. Being a Governor and contributing to school life can support your own career development and whilst a governor, you can access some key Governor training. Most important of all, governance contributes to making a difference to pupils' lives and their future. If you are a Parent/Carer and you think another Parent/Carer would make an effective Governor, please do persuade them to apply. Do take a look at our vision and values part of the website to ensure what we value and strive for aligns with your ambition for the school.

If you feel that this valuable opportunity is something that you would like to pursue, we look forward to receiving your declaration of interest. Please submit your declaration to us via tm.admin@meadow.sandwell.sch.uk, together with a brief summary of yourself, and your particular area of interest in school life. If more than one Parent/Carer applies, we hold a ballot in order to determine the successful candidate.

The deadline for interested Parents/Carers to make contact is **12.00 on Monday 4th December 2023**.

Thank you in anticipation of your interest – Ms Walsh (Headteacher)
