Reception Space Day

Dear Parents/Carers

On **Friday 12th January 2024**, we will be having a Space Day to start off our 'Out of this World' topic.

We will be exploring space and the solar system, looking at what astronauts do in space and how they travel there.

On our Space Day, pupils will become astronauts in our space stations, complete astronaut training and even hear a story from a real-life astronaut.

We would like all of the children to come to school dressed up as astronauts. These costumes can be as simple as a plain white t-shirt and we would also love to see you use recycled materials to create your own helmets and jet packs. Please see some examples of costumes below.

If you have any questions or need support with this, please speak with your child's class teacher.

Yours sincerely,

Miss Evans
Assistant Headteacher (Early Years and Year 1)
