Easter Egg Decorating

Dear Parents/Carers

To celebrate Easter this year, children will be participating in an egg decorating competition. The entries for this are to be brought into school on **Wednesday 20th March 2024** and **Thursday 21st March 2024** and will be judged before STAR assembly on Friday 22nd March 2024, where the winners will be announced. There will be two winners from KS1 and two from KS2. Each winner will receive a chocolate egg.

We would like you to use as much recycled material as possible to decorate your egg in any way that you like. This could be a character you like from any age appropriate T.V. or film, an animal, your favourite food; the list is endless! There are some simple yet effective ideas below; be as imaginative as you like!

In order to keep waste to a minimum, could we please ask that you remove the raw egg from the shell before you decorate them. I have attached a link below which provides a quick guide on how to do this easily.

You could use the unwanted egg later so that nothing goes to waste.

We look forward to seeing your entries. Good luck!

Yours sincerely,

S. Barnham
