School Catering Supply Issue

Dear Parents/Carers

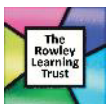

This morning, we were advised by our school kitchen that unfortunately, due to an issue with their supplier, our regular jacket potato option would not be available today.

All children had been made aware and we ensured that all children had an appropriate school meal today.

We have been reassured that this issue has been resolved so that pupils will once again have the choice of our blue option from tomorrow.

Yours sincerely,

Ms Walsh
Headteacher
