## Learning 4 Life—Protective Behaviours

Dear Parents/Carers,

We would like to take this opportunity to remind you that we do have a range of books in school linked to puberty and periods. These books are available for you as Parents/Carers to borrow should you need support explaining such changes to your children. This year we have expanded this to include books regarding boy's puberty also. Take a look at the books on offer below:

Should you wish to borrow one of these books, please make a request via email to [tm.admin@meadow.sandwell.sch.uk](mailto:tm.admin@meadow.sandwell.sch.uk); this will be passed on to your child's class teacher. A book will then be loaned using our library system, recorded against your child's junior librarian account and sent home discretely in an envelope to you at handover.

Please do familiarise yourself with the book and its contents before sharing with your child. The books are intended to support your own knowledge and guide any discussion with your child.

If you do require any further support regarding puberty and supporting your child with this, please do not hesitate to contact myself or a member of the Pastoral Team.

Yours sincerely,

*ReDale*
