Home Learning Policy Update (Years 1-6)

Dear Families,

We are writing to you today to share a small but important update to our home learning policy for Years 1-6.

We have been listening to your feedback and we understand that while some children thrive with open-ended, imaginative writing tasks, others find them less engaging. In response to this, we have decided to make a small adaptation to the weekly home learning.

After half term, we will alternate the weekly writing outcome with a Maths outcome. This means that one week, your child will have a writing task, and the following week, they will have a Maths task. We believe this will help to keep home learning fresh and exciting and provide a greater variety of activities for your children.

We value your partnership in your child's education and appreciate your feedback.

Thank you for your continued support.

Yours sincerely,

AVStraaten
