Secondary School Application Deadline

Dear Families,

I am writing to remind you of the local authority deadline for secondary school applications, which is Friday 31st October 2025.

This is an important milestone in your child's educational journey, and we understand that choosing the right secondary school is a significant decision for every family. We encourage you to take the time to explore your options and consider what environment will best support your child's learning and development. Please do take note of the deadline, as the normal application window closes after this date passes.

We are aware that some secondary schools are still holding open events. If you haven't yet attended one, we strongly recommend doing so. These events offer a valuable opportunity to experience the school setting first-hand, meet staff, and ask any questions you may have.

If you need any support with the application process or have questions about local schools, please don't hesitate to contact us.

Yours sincerely,

Mr Smith
Assistant Headteacher
