### Bikeability (Year 6)

Dear Families,

We are excited to inform you that our Year 6 children will have the opportunity to participate in the Bikeability training programme, a programme designed to teach children valuable cycling skills and road safety awareness. The programme is free of charge.

#### What is Bikeability?

Bikeability is a government-approved program that helps young cyclists gain the skills and confidence to ride safely on the roads. The training is led by qualified instructors and consists of two levels:

- **Level 1:** This will focus on basic bike handling skills in a controlled space, such as the school playground.
- **Level 2:** After demonstrating competence at Level 1, children will progress to Level 2, which takes place on local roads, teaching them how to manage real traffic conditions.

#### Training Dates:

The Bikeability sessions will take place from **W/C Monday 17<sup>th</sup> November 2025, starting with children in 6 Morpurgo. 6 Rowling children will then begin their sessions W/C Monday 24<sup>th</sup> November 2025.**

#### What Your Child Will Need:

To participate, all your child will need is comfortable clothing suitable for riding and the weather on the day. Bikes and helmets will be provided by Bikeability so your child will not need to bring these to school.

This cycle training is provided to all children in Year 6 unless you actively opt out of this. Please let us know at least 3 weeks beforehand if you would like to opt your child out.

This is a fantastic opportunity for your child to learn essential skills for their safety and independence.

If you have any questions, please do not hesitate to contact us.

Yours sincerely,

*AVStraaten*
