### Bring in Packaging for Our Building Challenge!

Dear Families,

In our upcoming DT lesson, we will be exploring how structures are designed and built. To make this learning hands-on and fun, we are asking pupils to bring in a selection of clean packaging from home.

#### What to bring:

- Clean cardboard boxes (no larger than a cereal box)
- Clean paper or card tubes (e.g., from kitchen roll)
- Clean bottles (plastic or glass) – no bigger than a small cereal box
- Please ensure all items are rinsed, dry, and free of labels where possible. Large boxes cannot be accepted.

Please send your donated items in with your child by **Friday 7th November 2025** so we can prepare for the lesson together.

In class, we will use these materials to build our own towers and test their stability. This will help the children understand how different materials, shapes, and sizes affect the strength and stability of structures.

Thank you for your support.

Yours sincerely,

**Miss Evans**  
Assistant Headteacher
