School Closure

Dear Families,

Following our initial communication, we wanted to follow up by informing you that after much consideration, we have made the difficult decision to close the school today.

At 6am, the site conditions appeared to be similar to those of yesterday and with weather forecasts remaining unpredictable, we had initially planned to open as usual.

Unfortunately, the further snowfall that has occurred, particularly in areas where gritting was previously done, has caused additional challenges. As a result, the safety of everyone, including staff, children, and families, has to be our top priority and it is no longer safe to open the school.

These decisions are never easy and always involve balancing the safety of all members of our community, ensuring safe travel for staff and families, and maintaining access to the site, all while striving to keep the school open wherever possible.

We will continue to monitor the situation and provide further updates as needed. Thank you for your understanding and continued support.

Yours sincerely,

AVStraaten
