### School Open Tomorrow

Dear Families,

Thank you for your understanding and support today following the difficult decision to close the school due to the weather conditions. We appreciate how disruptive changes to plans can be and are grateful for the cooperation shown by our school community.

I would also like to extend my sincere thanks to our site team, who worked extremely hard from early this morning gritting pathways and doing everything possible to prepare the site safely for opening.

**At present, we are planning to be open tomorrow.** However, safety remains our priority and we will of course keep you informed should there be any change to this plan.

Please take extra care when travelling in the morning and allow additional time for your journey, as conditions may still be challenging.

Thank you once again for your continued support.

Yours sincerely,

*AVStraaten*
