### International Mother Language Day

Dear Families,

We are pleased to let you know that our school will be celebrating **International Mother Language Day on Friday 13<sup>th</sup> February 2026**. This special day is recognised worldwide and promotes the importance of language, culture, and the rich diversity within our communities.

To mark the occasion, children will spend the afternoon exploring and celebrating the different languages and cultures represented in their class. Activities will encourage children to share, learn from one another, and take pride in their own heritage.

We would like to invite children (and staff) to wear **traditional clothing, cultural dress, or colours** that reflect celebrations, traditions, or customs that are special to them. Children are also welcome to bring:

- A **break-time snack** from their culture (please ensure this follows our usual food and allergy guidelines)
- **Items to share** linked to their language or culture, such as stories, photos, books, objects, music, or anything meaningful they would like to talk about with their class

These items will be used to support class discussions and activities throughout the afternoon.

We look forward to celebrating the diversity of our school community and creating a meaningful and inclusive experience for all children.

Thank you for your continued support.

Yours sincerely,

*H. Clarke*
