

Leave lunchtimes to us even if your child has allergies or needs a medical diet.

We have strict procedures to support students with allergies or medical diets to enjoy a meal.

Welcome

We want to empower students to make lifestyle choices that will ensure that they thrive in school and at home. Choosing school meals is a great way to start them on their way. Lunchtimes with SIPS are fun and friendly. Eating with others is so important for social skills and building friendships.

We are asking you to take on the challenge to:

- Be able to choose a healthy meal and really enjoy the food
- Understand how food helps learning and concentration
- Working with your child to discover how school meals improves social skills, mental health and builds friendships

Are you missing out on around £500 per child per year?

Free school meals can save your household a lot of money. If you are on certain benefits or have a low household income, they could be free for you.

To check if you are entitled scan here

Meals are **STILL FREE** for all Reception, Year 1 and 2 students regardless of circumstances

We only put great ingredients into our food and use recognised brands!
