Introducing Our School Sponsored Read

Dear Families,

We are writing to share some exciting news about an upcoming event that will help us celebrate and encourage a lifelong love of reading, both at home and in school.

Our school will be taking part in a **Sponsored Read** between **Monday 2nd February 2026 and Friday 13th February 2026**. Sponsorship forms will be sent home on Monday, but we wanted to let you know in advance so you are aware of what is coming up.

The Sponsored Read is being organised in partnership with our local Usborne representative, and all money raised will go directly towards purchasing brand new books for our school. In addition to the sponsorship raised by families, Usborne will also donate **up to 60% of the total amount raised in extra free books**. This means that for every **£300 raised**, the school will receive an additional **£180 worth of books** at no extra cost.

Our target is to raise **£600** in sponsorship, which would enable Usborne to donate a further **£360** of free books. Altogether, this would give us **£960** to spend on high-quality books and reading resources for our children.

To support the Sponsored Read, we are encouraging all children to spend a small amount of time each day reading - whether this is reading to themselves, reading to someone else, or being read to. Children can enjoy any form of reading material, such as books, comics, magazines, recipes, newspapers, poems, leaflets, instructions or even menus!

More detailed information and the official sponsorship forms will follow shortly. Thank you in advance for your support in helping us to enhance the reading opportunities and resources available to all our children.

Yours sincerely,

M. Curzon
