Reception Forest School Stay and Plays

Dear Families,

We are delighted to invite you to a **Reception Forest School Stay and Play session**.

The sessions will take place on the following dates and times:

- **Reception Carle** – Thursday 23rd April 2026, 9:00am–10:00am
- **Reception Murphy** – Thursday 21st May 2026, 9:00am–10:00am

These Stay and Play sessions will give you the opportunity to join your child in our Forest School environment and experience their learning first-hand.

What will the session involve?

During the session, you and your child will explore a range of Forest School activities together. These will include:

- Observing and supporting your child's gross motor development
- Developing confidence and resilience through outdoor challenges
- Building dens
- Climbing trees
- Exploring the mud kitchen area

Stay and Play sessions are a valuable way for families to engage with learning, see how outdoor provision supports children's development and gain ideas for activities that can be continued at home.

Arrival and organisation

- Children should arrive at school at the normal time, **dressed in their Forest School kit**. Families should also dress appropriately for outdoor learning and the weather
- Families are asked to **wait in the paddock/playground area after drop-off**
- Staff will invite families into the Forest School area at the start of the session
- A member of staff will escort families out of school once the session finishes at 10:00am

Important information

- Due to space limitations, we are only able to invite **one adult per child**
- Where possible, **younger siblings should not attend**
- Mobile phones should **not be used** whilst on school site
- Please **do not bring food or drink**, as we have children with allergies

If you have any questions or concerns, please speak to a member of the Reception team.

We look forward to welcoming you and sharing an enjoyable Forest School experience together.

Yours sincerely,

J.Cleal
