Year 4 Multiplication Tables Check & Rock Challenge

Dear Families,

As you will be aware, we are now approaching the **Year 4 Multiplication Tables Check (MTC)**. This statutory check ensures that children are secure with the Year 4 National Curriculum objective of being able to recall all multiplication facts up to 12×12 quickly and accurately.

The **Multiplication Tables Check will take place during the week beginning 1st June 2026.**

To encourage children to feel motivated, confident and excited about their learning, we are pleased to announce that we will be hosting a **Year 4 Rock Challenge!**

The event will involve the two Year 4 classes going head-to-head in a friendly challenge over a **2 and half week period**, with the winning class earning a special class reward. The challenge will begin on **Tuesday 5th May 2026** with a **Rockstar Launch Day**, where all Year 4 children are invited (and encouraged!) to **come to school dressed as a rock star.**

Throughout the challenge, children will be encouraged to use **Times Tables Rock Stars** as much as possible at home. Their efforts will contribute not only to strengthening their own times-table knowledge and speed, but also to supporting their class's progress in the challenge.

Regular practice at home makes a significant difference, and we greatly appreciate your continued support in helping your child build confidence and fluency with their multiplication facts.

Thank you for your support. We are really looking forward to an exciting and energetic few weeks ahead!

Yours sincerely,

AVStraaten

Mrs Van Straaten
