KS2 Test Results Delay (Year 6)

Dear Families,

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on 7th July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available to school on 16th July 2026. Importantly, the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes. This will not impact your child's transition to secondary school and no action is required from parents or children.

We understand how frustrating this situation is and share your disappointment. However, we are determined that it will not overshadow the opportunity to celebrate everything your child has achieved throughout their primary school journey.

You will still receive your child's school report on Friday 10th July 2026. We will share the KS2 SATs results with you as quickly as possible after we receive them on 16th July.

Thank you for your patience and understanding.

Yours sincerely,

Miss Dale
Deputy Headteacher
