Summer Holiday HAF Programme Update

Dear Families,

As you are aware, we work closely with 4 Community Trust as our wraparound and holiday provision provider. In previous years, we have been able to host their HAF (Holiday Activities and Food) Programme here at Temple Meadow during the school holidays.

Unfortunately, this year we are unable to host the programme on site due to significant building and improvement works taking place across the school over the summer break.

However, we are pleased to let you know that Old Hill Primary School will be hosting the HAF programme, meaning that Temple Meadow families can still access this fantastic provision at a local venue.

The HAF programme provides children with a range of fun activities, opportunities to socialise with friends and access to healthy meals throughout the holidays. We would encourage eligible families to take advantage of this valuable service during the summer break.

Please see the information below for details on how to book and access the provision.
