Join Our Eco Committee and Help Make a Difference!

Dear Families,

I am delighted to be leading Eco this year and would like to invite all of our enthusiastic young environmentalists to apply for a place on our Eco Committee.

As a member of the Eco Committee, you will be expected to attend meetings and play an active role in helping to make our school as environmentally friendly as possible. Together, we will work towards maintaining our Green Flag Award and promoting sustainability across the school.

During the Spring Term, we will also be running an Eco After-School Club, which committee members must be willing to attend. Working alongside Mrs Whyte and me, you will take part in a range of exciting projects, including monitoring the impact of our eco-friendly initiatives, identifying ways to improve our school environment, and organising fundraising events for environmental and conservation charities.

If you would like to join the Eco Committee, application forms will be available from your class teacher. The deadline for applications is Friday 2nd October 2026.

We would love to hear why you would like to be part of our Eco Committee and look forward to reading your applications.

Yours sincerely,

S. Barnham

Miss Barnham
Eco Lead
