Temple Meadow Primary School

Attendance, Wellbeing and Support for Families

Dear Families

Thank you to everyone who has started to use our guidance on illness, it really helps us to understand your child's health and related absences, reduces administration time and allows you to concentrate on the needs of your poorly child uninterrupted.

Thank you also to the families who have encouraged attendance with their children suffering from minor illnesses, such as the common cold. This really does support your child's learning and resilience; qualities needed for their long-term futures.

At Temple Meadow we understand that there are many different reasons for absence and/or lateness. Family life can be complicated. However, we are here to help. Whether it is a concern over illness, or support with behavioural issues, housing support, welfare benefits advice and/or anything else, we will be happy to provide you with the details of an organisation that can help.

Below are a few of the main support organisations we refer to:

More information on these organisations can be found here:
