Club offer for 2026-27

Dear Families,

We are delighted to share our provisional club offer for the 2026-27 academic year. Our clubs provide children with a range of opportunities to develop new skills, pursue interests and enjoy enriching experiences beyond the school day. Please note that this offer is provisional and may be subject to change. Clubs will run from Autumn 2 through to Summer 1.

In addition to the clubs outlined below, we are also exploring opportunities to introduce a range of paid after-school clubs throughout the year to further enhance our enrichment offer. Should these become available, full details regarding activities, costs and booking arrangements will be shared with families in due course.

At the end of each half term, we will confirm the clubs available for booking for the following term, along with all relevant details, including the day of the week, collection arrangements and any specific requirements. This information will be published via My Child at School (MCAS).

Please note that there are occasions when a club is unable to take place. For a full list of confirmed club dates, please view the relevant club on MCAS or check the school calendar on our website. All clubs will run from 3:20pm until 4:15pm.

Places must be requested through the MCAS app. Places will be allocated using a random allocation process to ensure fairness. Families will then be informed via a message on the MCAS app whether their child has been successfully allocated a place.
