After School Clubs 22-23

Dear Parent/Carer

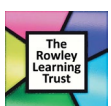

We are excited to be launching this year's enrichment opportunities for children through our after-school clubs offer. As in previous years, we aspire to offer a broad range of clubs across Years 1-6 that are free of charge to our pupils and their families.

This year, we're offering a range of clubs linked to our core vision values including Art, Science, Dance, Eco and building upon the Lionesses World Cup legacy, we will this year be focusing on football. We're always limited to capacity within our clubs but always allocate places as fairly as possible.

Mrs Bayley, who leads on Eco and Forest School, continues to run her Eco club after school each Tuesday and those Eco Committee members have already been selected and is successfully up and running. This club will continue until the end of Summer Term 1. We will of course send reminders to parents for any dates where the club cannot run due to wider school events.
