## Statement of intent

Temple Meadow Primary School has a duty to protect its employees and pupils from known hazards. We understand that the health risks associated with smoking are serious and detrimental for those who smoke, as well as people within close proximity.

Through this policy, we aim to:

- Create a smoke-free environment for all those within the school community, including staff, pupils, visitors, parents, etc.
- Create a smoke-free environment whilst attempting to be sensitive to those who find it difficult not to smoke on the premises.
- Clarify the use of e-cigarettes and cigarettes on, and around, the school premises.

### 1. Legal framework

1.1. This policy has due regard to legislation, including, but not limited to, the following:

- Health and Safety at Work etc. Act 1974
- Health Act 2006
- Children and Young Persons (Protection from Tobacco) Act 1991
- Nicotine Inhaling Products (Age of Sale and Proxy Purchasing) Regulations 2015
- Equality Act 2010

1.2. This policy also has due regard to guidance including, but not limited to, the following:

- Public Health England (2016) 'Use of e-cigarettes in public places and workplaces'

### 2. Policy application

2.1. The principles outlined in this policy apply to all staff, pupils, visitors, contractors and parents.

2.2. The principles outlined in this policy also continue to apply whether or not 'no smoking' signs are displayed.

2.3. All areas of the school premises, including outdoor areas, are designated smoke-free environments and, as such, all individuals are prohibited from smoking anywhere on the premises.

### 3. E-cigarettes on the premises

- 3.1. For the purpose of the policy, the process of using an e-cigarette is defined as vaping.
- 3.2. The school recognises the use of e-cigarettes as having significant potential to reduce tobacco use, as well as the harmful effects it causes to smokers and those around them.
- 3.3. Although e-cigarettes are not covered by the Health Act 2006, the school adopts a fully smoke-free environment, and recognises that use of e-cigarettes, whilst significantly safer for health than cigarettes, still pose some hazards, particularly for those with asthma and respiratory conditions who may be affected by the vapour.
- 3.4. The school also recognises that e-cigarettes may create a nuisance for others in the production of vapour, particularly for non-users.
- 3.5. The school does not consider the use of e-cigarettes to be professional behaviour and, therefore, individuals are not permitted to use e-cigarettes whilst on the premises.
- 3.6. Vaping is not permitted in any personal vehicles on the school premises.
- 3.7. Any individual witnessed vaping in personal vehicles as outlined above, will be subject to disciplinary action as outlined in [section 5](#) of this policy.
- 3.8. The school does not allow vaping breaks at any times during the school day. If an individual wishes to use their e-cigarette, they are only permitted to do so during arranged break times, e.g. lunch time, and in accordance with the principles outlined above.

NB. Only contractors, visitors and staff are permitted to leave the school premises during their break times to use e-cigarettes. **Staff must position themselves at least 25 metres away from the school perimeter when doing so.**

### 4. Smoking on the premises

- 4.1. Smoking is prohibited on the school premises at all times; there are no designated areas available on the school premises for smoking.
- 4.2. Staff, contractors and visitors are not permitted to smoke within a 25 metre radius of the school perimeter. This is to reduce the risk of pupils, parents and other members of the school community witnessing the individual smoking, which may affect professional etiquette.
- 4.3. Any individual who is witnessed smoking on the premises, or within a 25 metre radius of the school perimeter, will be subject to disciplinary sanctions, as outlined in [section 5](#) of this policy.
- 4.4. Smoking is not permitted in any personal vehicles on the school premises.
- 4.5. Any individual witnessed smoking in personal vehicles as outlined above, or in vehicles used on behalf of the school, will be subject to disciplinary action as outlined in [section 5](#) of this policy.
- 4.6. The school does not allow smoking breaks at any times during the school day. If an individual wishes to smoke, they are only permitted to do so during arranged break times, e.g. lunch time, and in accordance with the principles outlined above.

NB. Only contractors, visitors and staff are permitted to leave the school premises during their break times to smoke.

## **5. Disciplinary sanctions**

- 5.1. If a member of staff breaches any of the guidelines in this policy, they will be subject to disciplinary action in accordance with the school's Disciplinary Policy.
- 5.2. Staff may also be subject to a penalty fine and possible criminal prosecution depending on the nature of the breach.
- 5.3. Visitors and contractors who breach the guidelines in this policy will be asked to leave the premises. Refusal to comply with this request may result in the school contacting the police.

## **6. Monitoring and review**

- 6.1. This policy will be reviewed every 3 years by the Governing Body
- 6.2. Any changes made to this policy will be communicated to all members of staff, and pupils if necessary.
- 6.3. All staff, visitors and contractors are required to familiarise themselves with this policy as part of their induction periods, or upon their attendance at the school.
