Environmental Print Workshop (Nursery)

Dear Parents/Carers

On Monday 2nd October 2023 at 3:30-4pm, we are holding an Environmental Print Workshop for Early Years Parents/Carers.

Environmental Print is a necessary aspect of learning to read and write; it marks the beginning of recognising words and the letters in them.

Upon arrival, please sign in at the School Office and make your way down to the Early Years handover gate via the school playground where a member of the Early Years team will greet you.

Yours sincerely,

Miss Evans

Assistant Headteacher (Early Years)
