Dear Parent/Carers

Warm Weather

Now the weather is getting warmer, please can you ensure that pupils have sun cream applied daily before attending school; particularly on days when the forecast suggest prolonged periods of sunshine. Due to Early Years pupils spending a high proportion of their day outdoors and taking part in Forest School sessions, pupils should bring in their own bottle of sun cream (preferably roll-on) that is clearly labelled.

School adults will not be able to apply sun cream and therefore pupils need to be able to apply this themselves at school; this will require some practise at home as part of your child's independence and self-care.

Thank you for your support.

Yours sincerely,

K. Evans
