French Friday

Dear Parents/Carers

This academic year, we have chosen to teach French as our Modern Foreign Language. This is a statutory subject taught in KS2 and provides a good foundation for languages taught in Secondary School.

On Friday 10th November 2023, we will holding our 'French Friday' event to kickstart our new curriculum and learn all about the culture of France. To celebrate the day, we are inviting children to attend school dressed in red, white and blue clothing.

During the afternoon, the whole school will be learning French greetings. Our Early Years and Key Stage 1 pupils will be stepping onto 'Temple Meadow Airlines' to visit France, locating it on the world map and exploring some of it's landmarks.

Our Key Stage 2 Pupils will be exploring the capital city of France, Paris, comparing it to London and looking at some France's most famous artists.

Yours sincerely,

K. Hodgetts
