Head injuries in school

Dear Parents/Carers

In line with school medical guidelines, schools have a responsibility to inform Parents/Carers when their child sustains a head bump.

Currently, Parents/Carers are notified of a head bump via a telephone call from the School Office. Effective from Monday 23rd October 2023, minor head bumps will be communicated to Parents/Carers via text message. If you receive one of these messages, your child is okay to remain school.

If school first aiders are of the opinion that Parents/Carers need to be notified of a more complex or severe head bump, we will of course do this via telephone.

All head bump injuries will also receive a first aid slip which will be handed over at the end of the school day.

Yours sincerely,

Ms Walsh
